

Client Bill of Rights for BodyWork

I understand that the massage/bodywork I receive is provided for the basic purpose of relaxation and relief of muscular tension, strain of movement and balancing of my soft tissue. If I experience any pain or discomfort during the session, I will immediately inform the practitioner so that the pressure and/or strokes may be adjusted to my level of comfort. I further understand that massage/bodywork should not be construed as a substitute for medical examination, diagnosis, or treatment and that I should see a physician, chiropractor, or other qualified medical specialist for any mental or physical ailment of which I am aware. I understand that bodywork/massage practitioners are not qualified to perform spinal or skeletal adjustments, diagnose, or prescribe or treat any physical or mental illness, and that nothing said in the course of the session given should be construed as such. Because bodywork/massage should not be performed under certain medical conditions, I affirm that I have stated all my known medical conditions, and answered all questions honestly. I agree to keep the practitioner updated as to any changes in my medical profile and understand that there shall be no liability on the practitioner's part should I fail to do so. I also understand that any illicit or sexually suggestive remarks or advances made by me will result in immediate termination of the session, and I will be liable for payment of the scheduled appointment.
